## GENERAL COSTUME NOTES:

No underwear is to be worn for younger dancers as it tends to stick out of their costumes and distract from their appearance. If your older teen dancers need to wear something for changes please have it be as seamless as possible and match their skin tone.

### Tights:

If **tan tights** are specified for your dance, choose either Body Wrappers Jazzy Tan tights or Bloch Tan tights. Two pairs are highly recommended. Inquire at the studio for info on darker skin tones.

If **pink tights** are specified for your dance, choose either Body Wrappers Theatrical Pink tights or Bloch Light Pink tights. Two pairs are highly recommended.
